RAMU CHANDURI

Sr. Digital Designer

ABOUT ME

Have been part of Hyundai & Kia Design studio for the past 7+Years and successfully completed multiple projects from Concept stage (Sketch model) to Fix Stage (Class A model) for Exterior, Interior and Trim models.

EDUCATION

K L UNIVERSITY | 2010-2014

Graduated in Mechanical Engineering with specialization in Thermal Engineering – secured 7.58 GPA

NARAYANA Jr. COLLEGE | 2008-2010

Intermediate education in MPC - secured 81.5%

WORK EXPERIENCE

HYUNDAI MOTOR INDIA ENGINEERING | 2014-Present

Have been working with Hyundai & Kia Design Studio and contributed for multiple projects during my tenure, which happened to be a great learning opportunity to enhance my Modelling and Managerial skills.

- Developed Automotive Class A Exterior & Interior data of production quality standards.
- Trained and skilled with Designer's eye to evaluate the developed model.
- Handled Full Car Projects for Exterior, Interior model's and Trim Items for different Design reviews.
- Managed team, handled and helped designers to solve design illusions for enhancement of models.
- Trained newly recruited members to enhance their skill to Industrial standards.
- Supported Designers with my work at our Hyundai Kia R&D studio at Namyang (South Korea) and US Kia Studio.
- Had an opportunity to interact and work with Designers across the globe during my Business trips to Namyang and it happened to be a great knowledge sharing experience.
